Available Finishes

Anodized Aluminum

Compatible Tape Light

- Trulux Single Color
- Trulux Tunable CCT (excludes Double Row)
- Trulux RGB / RGB+WW

TRULUX™ Triple Stant Extrusion

The Triple Stant Premium Extrusion, measuring 2-11/32" wide by 3/8" high, is popular for task lighting applications. The sloped shoulders arch more quickly to the mounting surface than the Single Stant, but still form a finished tailored look. With three rows of lighting, the Triple Stant should be used for applications where lots of light is needed, such as under cabinet and work areas and other task lighting applications.

Best suited applications:

Display cases, task lighting, undercabinet, shelving, work areas
